## PRINCIPAL'S MESSAGE

It is with great pleasure that I share the latest edition of our Primary Section Newsletter, a reflection of the diverse activities enriching the educational experience at our school. At Vidyalaya, we are committed to nurturing young minds, ensuring they not only gain a modern perspective but also build strong foundational knowledge that will support their future endeavors.

As we navigate a world that continues to evolve, the newsletter offers a valuable opportunity to showcase the co-curricular activities that are an integral part of our curriculum, enhancing the holistic development of our students in this ever-changing educational landscape.

I extend my sincere gratitude to the editorial team and all the Primary staff for their hard work and dedication in making this publication a success.

Mr. Varun Jonwal
